Plumbing - Heating - Renewables

Our Rates

Standard hourly rate- (Monday to Friday, 8am to 4pm). Honest, straightforward pricing from Gas Safe registered engineers.

How we charge

How we charge. Unless we've agreed otherwise, work is charged on a time and materials basis. There's a one-hour minimum, then we charge in 15-minute blocks. Time is recorded through our job management and vehicle tracking systems.

Standard hours. Monday to Friday, 8am to 4pm, excluding bank holidays.

Out of hours. Work outside standard hours is charged at a higher rate of our standard rates. We'll always tell you beforehand.

Materials. Materials we supply may include a commercial mark-up. If a part that we have supplied has a manufacturer fault, we'll deal with the manufacturer for you. If no fault is found, labour charges apply.

Other expenses. Reasonable expenses such as parking, congestion charges and waste disposal will be added.

Quotes. Written quotes are valid for 14 days from the date they're issued.

Cancellations. Cancelling within 24 hours of your appointment may incur a charge.

Payment. Payment is due when the job is complete. Certificates and warranty paperwork are issued once payment has been received in full.

Our guarantee. All our workmanship is guaranteed for 12 months from completion. Your statutory rights are not affected.

Service Area & Travel. Our standard rates and fixed service prices apply to properties located within a 15-mile radius of our office postcode, HP3 0JX. Properties located more than 15 miles and up to 25 miles from HP3 0JX are subject to a 15% uplift on our standard rates and fixed service prices. Work beyond 25 miles will be considered on a job-by-job basis and any applicable charges will be confirmed prior to booking.

Service prices

All prices plus VAT.
